

Medication Access

About the Program

NOVA ScriptsCentral provides quality integrated pharmaceutical care and medication access to the low-income, uninsured children and adults of Northern Virginia by providing medications to manage chronic illnesses at an affordable cost - **30 to 90 days supply of medications for only \$5.**

Patient Eligibility

Meet income eligibility:

- Patient and their family's gross income must be 300% of the Federal Poverty Level or below.

Be uninsured:

- Patient must be uninsured.
- We serve patients with Medicare as long as they are not covered by Medicare part D.
- We serve patients who have applied for Medicaid but are still pending.

Be a patient at one of our partner clinics:

- We only accept applications from patients that belong to one of our partner clinics.

Our Clinic Partners

We have a total of 16 + clinic partners with a combined 32 locations throughout Northern Virginia.

Our Northern Virginia service area includes:

- Arlington County
- City of Alexandria
- Fairfax County
- Loudon County
- Prince William County

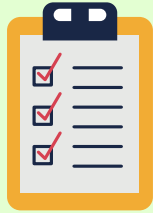

*Medications are delivered to the clinics on a weekly basis for patients to pick-up.

Pharmacy Formulary

Our formulary consists of 250 medications in multiple dosage strengths, treating more than 35 chronic diseases such as:

- Diabetes
- Hypertension
- Asthma
- Heart disease
- Glaucoma
- Cholesterol
- Neurological
- Acid reflux
