Working with NSC's grant team with data collection, research and grant writing

GRANT WRITING

PATIENT OUTREACH

Participating in health fairs throughout Northern Virginia to empower the community.

CLINICS

Immunization Clinic and Medication Assisted Treatment Clinic through Mason and Partners

SAFETY-NET HEALTH EQUITY FELLOWSHIP 2023-2024 SUMMARY PAGE 2

"Throughout this past year, I effectively addressed health literacy while also instilling confidence in patients to take control of their own health. My experience as a fellow has profoundly influenced my career trajectory, leading me to continue my work as a Population Health Pharmacist and Fellowship Coordinator. The mission of NCS deeply resonates with me, and I am committed to supporting future fellows in making a substantial impact both locally and nationally."

-Dr. Shabnum Anwari, Safety-Net Health Equity Fellow 23-24
